NEW CLIENTS - Hynes & Regis

The first quarter of 2011 has seen a lot of interest in the Autonomy iManage product set. Both Hynes Lawyers in Brisbane and Regis Group in Melbourne are on board to initiate the projects. The increasing need to better manage business critical information has led these two organisations to consider the iManage solution.

NEW TO i2

Rising opportunities for the company have resulted in the growth of our team. Welcome to the new members:

- Annemarie Boicovitis – Business Improvement Manager
- Mark Revill – Technology Consultant / iManage Engineer
- Glen Statkiewicz – Interform Helpdesk Team Manager
- Simon Thorne – Technology Consultant

Regis Group sign up for both iManage & Workflow Manager

One of Australia's largest providers of Aged Care services, The Regis Group, has signed up for the Autonomy iManage and Workflow Manager products. With their Head Office in Melbourne and approximately 4000 staff spread across 5 states, Regis is faced with the challenge of compliance and efficient information control.

What's the buzz around RBRO?

A number of our iManage clients are looking for ways to improve the administration of iManage, for example, manage workspaces more efficiently and effectively. RBRO Solutions offer tools to help with: workspace generation and management, document importing & exporting, archiving, creating folder templates and much more.
