# i2 News

Hi, i2 Newsletter May 2104

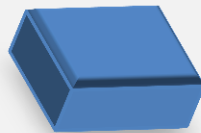

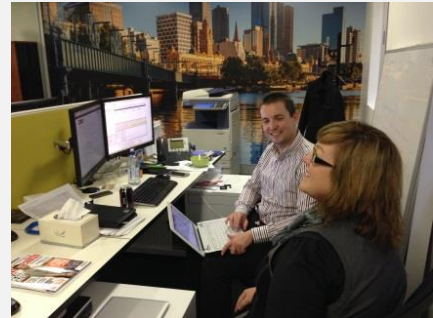

## New Premises

The i2 Management crew are settling in very nicely to our new premises located at Level 1, 466 Little Lonsdale Street Melbourne.

The magnificent mural of the Flinders Street Station and the surrounding Melbourne landscape adds colour and atmosphere.

Drop in for a visit.

## i2 welcome another new client

Mahoney Lawyers have joined the i2 Management client list with an order for the i2 Solution Set which enables them to reach their objective of a paperless office.

A combination of HP WorkSite & several other products make up the complete solution.

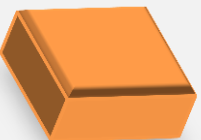

## The Proof of Concept completed

The VLA has completed their Proof of Concept for the ActiveDocs Product and is extremely pleased with the outcome.

The VLA team were provided training at the beginning of the year in template development and have since then created just on 300 templates and are right on track for their aim of 500 templates by May.

This is an outstanding achievement and at the end of the project all VLA lawyers will be accessing templates and creating documents from anywhere via a web browser.

## New WorkSite eXpress Client

CitiPower Powercor have taken advantage of the i2 initiative – WorkSite eXpress. The legal department of CitiPower Powercor are in the process of implementing WorkSite iManage together with the matter creation tool created by the solutions team at i2 Management.

The new tool enables firms that do not have access to a financial system or practise management system to create the relevant metadata needed to generate a workspace.
