Chicago – iManage v9

i2 Management are a Autonomy/HP Gold Partner and as a result were invited to attend the Autonomy HP Protect Partner Summit during May 2012.

Our aim was to ensure that we were up to speed with latest developments and future strategies. We send a team of 3 (Andrew, Frank and Fiona) to the summit.

The Road Ahead with HP

The question “What does it really mean to us now that HP have acquired Autonomy?” was on everyone’s lips. It was clear from the Gold Partner Summit that HP is concentrating on the hardware used in organisations to complete and/or enhance the solution and the experience.
