i2 Vision, Mission & Core Values

Following a number of internal discussions and much reflection, our road to continuous improvement as a company, as a team, has a fresh new outlook.

Our vision, mission statements and core values are taking even more of a client focused approach than before.

Get To Know Our People - Mark Revill

Mark joined i2 Management in early 2011 as a Network Support Engineer.

Prior to his commencement at i2 Management, Mark was employed as an Information Systems Administrator at the Australian Accounting Standards Board for 9 years.

His many years of experience working within the IT industry has equipped him with the knowledge and skills required to understand clients at a user level.
