

hp LaserJet Enterprise flow MFP M525c

i2 Management in partnership with hp are the first in Australia to fully integrate WorkSite with the new M525c

If you are interested in:

- Scanning directly into workspaces or folders
- Printing directly from the workspace or folder
- Searching for workspace, folder or documents from your device
- The ability to utilise a proximity reader

AND have the print, copy, scan, fax and inbuilt OCR capabilities of the Laser Jet flow.

Contact Fiona from i2 Management on 03 8686 1520
