

WorkSite eXpress

WorkSite eXpress is ideal for 35 users or less.

Imagine FileSite & Email Management for everyone in your office and at a cost that won't break the bank.

i2 have created a predefined packaged solution based on our many years of experience and numerous installations of WorkSite.

Join our growing number of clients which include small to large legal firms, corporate legal departments and Commercial companies who are using WorkSite to ensure that they can access content when they need to and from anywhere!

iManage eXpress can be installed and ready to use within two weeks. The predefined nature of the system will save your internal resources precious time and provide you with a robust system at a fraction of the normal cost.
